Fall 2006

President's Report

As I am writing this report, the sun is shining and it is the start of a beautiful September in Whonnock as we say goodbye to our long time Manager Caretakers at Whonnock Lake Centre. I would like to take this space to sincerely thank Eit and Jo-Ann Bakker and their children, Liana and Nick for the last 10 years of service to this community. They came as new hall managers and are leaving as truly good friends. I know they do not want any fuss, but they have gone above and beyond their duties so many times and in so many ways we will miss them tremendously. I wish them much good luck and happiness in the next stage of their lives.

As we say good bye to the Bakkers I would like to welcome the new hall managers, Jorde and Shirley Blatter. We hope their stay here in Whonnock is long and happy. Please stop by and give them a warm welcome to Whonnock.

Although life and people are busy, there are many ways small ways to contribute to your community. Volunteers are needed to do Bingo (3 hours once a year!), Adopt a Block (help keep a portion of your neighbourhood clean a couple of hours a month), and the Community Association is always happy to see new volunteers to help with a variety of things.

This summer has been much better with regards to burglaries and theft, but keeping an eye out for your neighbors, being interested in who comes and goes, attending public meetings, community events are all things which help keep our community safe and enjoyable for everyone.

To all of the Community, take a moment to enjoy all that the area has to offer. There is Whonnock Lake and Centre, the extensive horse trails, local smoked fish, excellent late blackberries, the sometimes seen, sometimes heard wild creatures as well as our local farm animals of many types. There are running groups, walking groups, fitness classes, scouts, guides, canoe and kayaking, and an excellent Halloween Carnival from the local Elementary school. Whonnock Lake Day is coming up on September 24th so please remember to pray to the weather gods for a good day and come join us for lots of fun, food and friendship. Check out this newsletter or our Website, Whonnock.ca for information on these things and much more. Enjoy!

Byrnes Road

All is well that ends well. On 13 June Mayor and Council agreed to change the name of 269th Street at River Road to Byrnes Road in honour of the Byrnes family who came to Whonnock in 1919 and Brian and Isabel Byrnes in particular. Hurrah! Thanks are due to Director Jane Pickering and her staff of the Planning department and to Mayor Gordon Robson and Councillors Judy Dueck and Craig Speirs who were particularly supportive. Also a thank you to the Maple Ridge Community Heritage Commission for their efforts.

Whonnock Community Association Bursary – \$1000

Congratulation to the 2006 Whonnock Community Association Bursary recipient, Ms. Megan Sjogren, who will be continuing her education at UCFV and hopes to become an Elementary School Teacher. Best of luck, Megan.

Our bursary is awarded every June in accordance with District graduation schedules and policy. So for all you grade 12 students residing in the Whonnock area and going on to post-secondary education, inquire with your school counsellors for more information and to get an application package. One of the requirements looked at before rewarding the bursary is a student's commitment to the community, school or other worthy causes through volunteerism. Good luck to all applicants.

The Lodge by the Lake

The drawing to the right is Architect Frank Sleigh's 1970s concept of Whonnock Lake Centre: "A peeled log structure sympathetic to its natural setting in lake-side woodland." A log cabin style building is what stayed on the executive's mind for a long time. Whonnock residents responded enthusiastically to a request to donate trees for the construction of their hall. Read more about these and other stories of the gestation of Whonnock Lake Centre in the latest illustrated *Whonnock Notes*: "A Dream Come True" that will be for sale for the first time on Whonnock Lake Day.

Also on Whonnock Lake Day a plaque will be unveiled honouring those who contributed to the realization of that dream.

Something for all Whonnockians

Our "unusual" weather will return soon. To keep you dry the Whonnock Community Association has in stock a small number of charming Whonnock Umbrellas in brilliant Canadian red and white, decorated with the famous Whonnock logo.

The umbrellas are for sale at McFly's (Sue's) and at Whonnock Lake Centre. Keep dry for \$20!

The Whonnock Foundation

The Whonnock Foundation is pleased to announce that they granted a Byrnes Bursary to Liana Bakker, who is enrolled in a massage therapy program at New Westminster. There were many applicants for the Byrnes Bursary but the Directors were particularly impressed with the efforts Liana is putting in reaching her career goal, financing her studies with student loans and taxing part-time employment. She consistently holds a more than satisfactory academic standing. This first bursary for \$2,000 is for a four-month term starting in September. It may be repeated for each following term until Liana finishes the program. For more on the Byrnes Bursary log on to www.whonnock.ca or e-mail <foundation@whonnock.bc.ca>.

Community Policing & Speed Watch

For information on Community Policing, Speed Watch, Block Watch or any other programs available through the RCMP Volunteer services, go to the Ridge Meadows RCMP detachment home page and click on the Volunteering icon. Their Web site is <www.rcmp.grc.gc.ca/bc/lmd/ridgemeanows/contents.html>

Adopt-A-Block

Thanks to all of those who continue to volunteer to help keep our community clean and tidy. We have lost a couple of volunteers in the last while, so if anybody is interested please give me, Jean Ruttan a call at 604-462-7794. I will provide you with a grabber and instructions on disposal of your garbage.

Whonnock Lake Centre Report

September already! It's hard to believe. A stellar summer we had. Lots of happy brides, lots of happy kids and lots of family fun due to the fabulous weather and of course the great location.

A big thank you goes to the student leaders who provided the little ones with hours of fun. They were a great bunch of kids.

Also thank you to RCKC summer programs, coaches and regular coaches who worked hard all summer with their own programs and who helped ease the minds of brides by rearranging their schedules to accommodate them. A huge thank you!

As a lot of you know this will be my last managers report. We are moving on, starting a new chapter in our lives. It's been a wonderful experience living here, watching our family grow as well as watching all of yours. We will miss it tremendously at times and although it is only a ten minute drive it will not be quite the same.

We'd like to thank the Whonnock Community Association of 1997 for giving us the chance. A special thank you to Mr. Allan Springman, for his guidance, wisdom and understanding, which sometimes I did not fully appreciate. Phil Johnson, a man no woman should be without! (Maybe not all the time!) Debbie Smith for the monthly get-togethers and keeping us on track. Mel for stepping up to the plate, for being a great listener and friend. Norm, for the computer lessons and understanding—maybe one day it will sink in. Fred and Helmi for the history lessons, laughter, kindness and drive. Maggie and family for being great neighbours and for always being there. Derrien and Marge for keeping me company. Noreen Woods for her kindness understanding and fairness to all.

There are so many people to thank. You have a great community and a great community association which makes this a better place to live. Sometimes you may think nothing is being done, but there is a lot of dedication here (have you checked out the Web page!) They are a great bunch of people and they can't do it alone so get involved in some way and be a part, big or small, of your community.

Also a big thank you to the new caretakers, Shirley and Jorde Blatter for applying for the job! They have been training throughout the summer and are anxious to get started. I know they will do a great job. The support of the WCA, the community at large and a phone call to us will keep them going for years to come.

Good Luck! We will miss Whonnock.

Jo-Ann, Eit, Liana, Nick, and Baxter Bakker.

Wildwood Fellowship Church

Wildwood Fellowship Church is a family oriented, non-denominational community church that believes that all people matter to God. We welcome you to join us for our Sunday Worship Services at 10:30 AM. (Super Church during service for children up to age 12). Our desire is that those who attend leave with practical help from God's Word to meet the challenges we all face in our daily lives, and then be encouraged as you fellowship and get acquainted over a cup of coffee following the service.

Our KIDS CLUB will be meeting bi-weekly on Fridays 6:30 – 8:30 PM for crafts, games, activities and occasional outings. This is for any children Kindergarten up to Grade 4. The first activity will be held October 6th at 6 PM at every kids favourite back yard (McDougall's Fun Farm - 27538 112th Ave.) It will be a potluck BBQ for the whole family - bring salads or desserts, hamburgers/hot dogs will be provided.

The COMMUNITY JR. YOUTH GROUP is open to anyone in Grades 5–8. We meet twice a month, usually Sunday evenings 6:30 – 8:00 PM. Games and activity are a big part of the fun we've been having together as well as some "God-talk" times to help kids discover some incredibly wonderful things about God and His plan for their lives, etc.

Watch the Whonnock school newsletter for up-coming events or sign up to be on our e-mail contact list. Most events are local - come when you are able.

Our Kick-Off will be Sunday, October 8th with a Fear Factor Night at the Dowco Gym, please don't come dressed in your finest, you may regret it. Laughter and groaning guaranteed, this event is not for the faint-of-heart! Calling ahead to register is helpful but not absolutely necessary.

On Sunday, October 22nd we will plan a trip to the Chilliwack Corn Maze. Call for more details. Registration will be required so we can plan enough drivers/rides.

Please call Pastor Arnold or Eleanor Tracey at 604-462-0610 for more information on the church or any of our programs.

Ridge Canoe and Kayak Club News

RCKC is excited to be hosting the upcoming BC Bantam/Masters Sprint Canoe/Kayak Championships during the weekend of September 23/24 at Whonnock Lake. Competitors from B.C., Alberta and Washington State will battle for first place. On the same weekend on Sunday, RCKC will be offering visitors to Whonnock Lake Day a chance to paddle in a dragon boat. The cost is \$5 per person to cover insurance costs. Pick up a paddle and join a group of 20 paddlers to experience a safe, enjoyable water sport.

For more information about these events or the Ridge Canoe and Kayak Club visit our Web site <rckc.ca> which can also be linked through <whonnock.ca>.

Whonnock Elementary PAC

The school year has begun and it's going to be a great one. We are pleased to welcome our new Principal, Mr. Alan Millar, four new staff members and 48 new students to Whonnock Elementary. There are now 232 students attending our school.

Thank you to all who participated in our Art Auction hosted at Whonnock Lake Centre in May. The evening was a great success and a whole lot of fun. Special thanks to Jo-Ann Baker, Whonnock Lake Centre, Brenda Pelletier, Kellie Marquet, the staff and parents involved in making this fund-raiser a huge success. An extra special thank you to all the students who created the amazing art, which managed to raise an outstanding \$3,600.

The popular and fun Halloween Carnival will be back this year. The date has not yet been set, but it is expected to be towards the end of October. Please watch for future school newsletters, school notices and the sign at the pump house for more details.

The first PAC meeting will be held directly after the Open House on Thursday, September 21 in the library. All staff, parents and guardians are welcome to attend.

Rhonda Knowles, PAC Secretary

Lakeside Preschool

Located on beautiful Whonnock Lake in the Whonnock Lake Centre, this bright well-equipped preschool offers a variety of experiences for 3 – 5 year olds. Whonnock Rhododendron Garden

In time for the plant sale on April 30, Maureen the gardener did another wonderful job of weeding and raking and tidying of the beds and paths. We are much in debt to the Whonnock Community Association for providing Maureen's services. When visiting, it is well worthwhile to look at the gardens around the Community Hall. In these areas Maureen has selected plants and developed the gardens to a high standard of grace and charm. They are one reason for the popularity of the Centre as a wedding venue.

About 20 members of the Peace Arch chapter visited the garden on Saturday April 29th. Earlier they had been shown round the Hemminger's garden. The rain did not dampen their spirits and they enjoyed their bagged lunches in the Hall before being shown round our garden by John and Scot. They had fun naming the rhododendrons as they went, but one red flowered specimen with indumentum in the old garden defied identification. Considerable interest was shown in the irrigation system and it was obvious that in White Rock a lot of time could be spent with hosepipe in hand.

Five senior ladies from Mary's church in Port Coquitlam visited the garden on May 12th. Their visit was rounded out by looking in at the old-established Post Office in Whonnock followed by lunch at Bruce's Market.

Our nematodes arrived from England via a local supplier and were applied on May 6th to our plants badly affected by Vine Weevil. The directions for applying the *nematodes* recommended making a suspension of the small tray of organisms in 400 liters of water. At first this seemed a problem, but we managed quite well with a 50-gallon rainwater barrel, filled twice and well stirred. We applied by watering can, one can to each plant and we were finished in about two hours. Now we have 50 million infective juvenile *nematodes* at work in our garden, hopefully finding and killing the grubs of the vine weevil.

The garden has a sign now, a joint project of several Club members. The message is simple; it states that this is a "Rhododendron Garden" and it includes an emblem of a yellow rhododendron flower truss.

We thank Janet Waterhouse for the emblem design and the painting of the flower on the low relief carving by Scot. Art Prufer did a wonderful job of transforming a very ordinary slab of laminated wood to a pleasing shape, completing the incised lettering and finishing the piece with stain and clear varnish. Others had input, by making suggestions on the sign shape, colours and siting.
